

THEMATIC SEMESTER PAINLEVÉ-CEMPI-PHLAM 2024

Numerical Analysis and Partial Differential Equations

UNIVERSITÉ DE LILLE

Quasiprobability distributions in quantum mechanics and quantum information.
Kirkwood-Dirac-Wigner
November 8–10, 2023 (Lille)

Mathematical tools for Oncology: a helping hand
April 24–25, 2024 (Lille)

6èmes Journées Approximation
May 15–17, 2024 (Lille)

New trends in the numerical analysis of PDEs
June 10–13, 2024 (Lille)

Calculus of Variations and Applications
June 24–28, 2024 (Lille)

Applied Analysis and Modeling: a conference in honor of Olivier Goubet
November 4–6, 2024 (Lille)
